Dear Bill

Thank you for providing me a personal copy of your recent report on the "Evolution of Soviet Concepts and Forces for Nuclear War in Europe." I find your assessment to be both interesting and timely. As you know, we are engaged in revising our own planning concepts in this regard and a most needed element in the process is greater insight into the Soviet thinking.

Again, thank you for calling the report to my attention. I hope that we might soon have the opportunity for an exchange of views on this important subject.

Sincerely

GEORGE S. BROWN
